## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1 and 3-17 are rejected under 35 U.S.C. 102(b) as being anticipated by Mirsky, 6,226,735.

Mirsky's Fig. 9 shows a reconfiguration apparatus having a reconfigurable unit (element 4000) having a plurality of processing units (ALUs 4002, 4004 and 4006 and MCPE 4012, 4014 and 4016) and a plurality of switch boxes (e.g. in Fig. 2 the MUXs 226, 228 and 230 and the control logic 214 and 234) with the reconfigurable unit receiving a configuration signal (note column 4, line 62 through column 5, line 20).

### ***Claim Rejections - 35 USC § 112***

3. Claims 15-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The phrases "said internal hardware component, claim 15, line 2; "the internal hardware components", claim 16, line 2; and "the different basic functional units", claim 16, lines 2-3; lack clear antecedent basis.

***Conclusion***

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
